

CCUSA Work Experience is a United States Government designated Exchange Visitor Program which brings international students to the United States for a four-month work/travel program.

These participants gain work skills, educational and cultural experiences, and promote the general interest of international exchange.

We proudly present this certificate to

Daniel Ruminot Moscoso

*for completing the winter season 2017/2018
working in the United States of America.*

The skills, knowledge and leadership abilities demonstrated by this individual have served to promote the cause of international understanding and friendship.
